Presbyterian Church in Canada ~ MISSION CAPSULE

**TAIWAN: Paul McLean**

Our gifts to *Presbyterians Sharing* support the Rev. Dr. Paul McLean as he works with a team of Hakka pastors and elders to translate the Bible into the Hakka language. Of the four million Hakka people who live in Taiwan, only 2 or 3 in 1000 are Christian. The Presbyterian Church in Canada is partnering with the Presbyterian Church in Taiwan (PCT) and the Bible Society in Taiwan to translate and publish the Bible in the Hakka language. Paul McLean has been working with the Hakka Bible translation team for over 25 years. When the translation work is finished, the Bible Society in Taiwan will help typeset and publish Taiwan's first ever Hakka Old and New Testament Bible. This will hopefully take place by the spring of 2012, in time for the PCT's Year of Hakka Mission. Hakka churches are praying that the Bible will help them turn the hearts of Hakka people to Jesus Christ.

I wish to report that I have reviewed the financial records and statements for 2010 of Calvin Presbyterian Church. Although this review does not constitute an official audit, the accounts appear to be in good order. In my opinion, the financial statements have been prepared in accordance with generally accepted accounting principles and are fairly stated.
